Dear Parent/Carer

You will notice that on the reverse of this letter there is correspondence from Ofsted for students.

The full Inspection Report is on the school website and any parent wishing to receive a hard copy, in addition to the printing option, can request one through school and the report will be available for you to collect from Reception.

On behalf of the staff and students of Winterhill, I would like to thank you for the overwhelmingly positive comments received prior to, during and post Ofsted.

Winterhill School is striving to focus on improving every aspect of its performance to enable us to ensure that students of all abilities reach their potential and have opportunities to grow as people.

I would like to express my thanks for your continued support to the school.

Yours sincerely

R D I Burman
Headteacher
