January 2011

Dear Parent/Carer

I am writing to inform you that as part of our cycle of policy review we have spent the last term looking at our whole school behaviour policy.

This has been undertaken by a small working group representative of teaching and support staff, governors, parents and students.

The final policy is now available on our web site or if you are unable to access that please contact our admin office who will post a copy out to you.

Work will continue within this now to ensure curriculum areas meet the framework guidelines and also that students are kept fully informed in a way that is more accessible to them than this document.

I hope you will take the opportunity to consider this and am very happy to discuss any aspect with you if you wish to contact me at the school.

Yours sincerely

Mrs R Richardson
Deputy Headteacher
