# In 2025, Rotherham will become the world's first Children's Capital of Culture. It's a big title for a borough with a big dream!

2025 will be an extraordinary year of imagination, creativity and community, created by Rotherham's children and young people and open to everyone.

Children's Capital of Culture is creating life-changing opportunities for 0-to-25 year olds, right here in Rotherham.

We're already offering amazing events, inspiring activities, and empowering work and skills initiatives for children and young people to take part in.

Be part of it! Find out more about what's planned and how you can get involved by scanning this QR code:
