

Dear Parents/Carers

Year 7 Parents' Evening – Tuesday 21st June 2022 (4:30 - 7:30pm)

We would like to invite you to the Year 7 parents evening on Tuesday 21st June 2022.

This is an ideal opportunity to discuss your son's/daughter's progress at school and for us to work together to ensure this continues to improve wherever possible.

We encourage parents/carers to bring your son/daughter on the evening so that all messages are consistent and heard by all parties. We welcome your participation as we know that progress is improved when parents/carers have an active role in their son's/ daughter's education. If as a parent you have a disability which requires additional support, please contact me prior to the evening so that your needs can be met.

Your child's form tutor will be given an Appointments Sheet. This should be taken to each subject teacher you wish to see and an appointment will be entered on the sheet. We cannot guarantee that you will be able to see all your son's/daughter's teachers as some teach more than one Year 7 class, but we will do our best to satisfy your requests. If you are unable to meet any of the teachers that you would like to see, please contact admin@winterhill.org.uk to request a phone call.

Students will make appointments with staff during normal lesson times.

We would ask you to make every effort to keep to the time arranged, limiting your interview to a maximum of five minutes per subject so that other parents are not kept waiting and allowing you time to get to your next appointment.

Please be aware that English, Maths and Science are roomed in the blue gym, so it is ideal if appointments for these subjects are booked close together.

It is essential that you bring your appointments record with you. We look forward to seeing you on this very important occasion. Please make every effort to attend.

Yours sincerely

Mrs B Parkin
Behaviour for Learning Leader
