

Uniform and Equipment Policy

Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform
- Outline the equipment needed in order to maximise learning

Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow students to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with their child's Head of Year (HOY) or Behaviour for Learning Leader (BfL), who can answer questions about the policy. Formal requests for adaptations to the uniform policy for a particular student must be placed in writing to Mrs J Parkin, via admin@winterhill.org.uk

Limiting the cost of school uniform

Winterhill school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible i.e., School Jumper or cardigan, school tie and the appropriate PE kit
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

- Tie: School design – a clip on tie must be worn by all students.

- Jewellery: Plain studs, or small rings for students with pierced ears, a single ring, a watch and a nose stud maybe worn.

Please note: We discourage the wearing of jewellery for reasons of safety – ear studs/small rings, if worn, must be removed for Physical Education. Other forms of body piercing are inappropriate and unacceptable. Lip, tongue rings and studs, naval piercing jewellery and other forms of facial piercings are banned, as are nose rings. Persistent disregard for this rule may result in a suspension.

Additionally, the school accepts some variations to school uniform that are required by religious and cultural norms (e.g., head scarves).

It is advisable that all uniform should be clearly marked with the student's name, and it is the responsibility of the student at all times.

The uniform should be clean and in good repair. It should be worn smartly and conventionally.

Students who, without good reason, fail to wear the school uniform correctly will attract a consequence in line with the school's behaviour policy. This could include parental contact and the student being sent home to rectify any breaches of the uniform policy.

During the summer months, depending on the weather we may change to a summer uniform. This decision will be clearly shared as far in advance as practicably possible.

However, the summer uniform will automatically come into effect during the last half term of the academic year.

Ongoing breaches of our uniform policy will be dealt with by an appropriate sanction set within the school's behaviour policy.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

Governors

The governing board will review this policy and make sure that it;

- is appropriate for our school's context
- is implemented fairly across the school
- takes into account the views of parents and students
- offers a uniform that is appropriate, practical and safe for all pupils
- the board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.
