

Important Update - Year 9 Parents' Evening change of date

AN ACADEMY - PART OF INSPIRE LEARNING TRUST

Dear Parents and Carers,

Due to the **adverse weather forecast** of sleet and snow predicted for this Thursday evening, we have made the decision to postpone the scheduled **Year 9 Parents' Evening this Thursday, 8th January.**

This decision has been taken to ensure the safety and wellbeing of our staff, students and families and to avoid unnecessary travel in potentially difficult weather conditions.

The evening has been rescheduled to Thursday 22nd January.

All appointment times that have already been booked will automatically carry over to the new date on Thursday 22nd January. If your original appointment times are no longer convenient due to the change of date, you can log in to SchoolCloud to amend or cancel them at your convenience. If you have not yet booked appointments, the system remains open for you to do so.

We apologise for any inconvenience this rescheduling may cause, but we feel it is the most responsible course of action given the current weather warnings.

Thank you for your continued support and understanding. We look forward to seeing you on the 22nd January.

Kind regards,

Mr D. Cleaver

Assistant Headteacher

Winterhill School
